

Sustainability Certificates

Last update: March 2022

¹ Calculated on the basis of the period of realization. If we realized a project during a certain year, it counts as one in the same year.

Sustainability certificates in building construction ¹										
in number per type										
Certifications	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021
SMEO	0	0	1	1	1	1	1	1	0	0
2000 watt sites	0	0	0	0	2	3	7	9	15	14
