

PRESS RELEASE

Stig Ingar Evje, CEO Implenia Norway, is missing – CFO Tone Bachke to lead unit until further notice

Dietlikon, 15 May 2017 – Stig Ingar Evje, CEO of Implenia Norway, has been reported missing since 3 May 2017 having failed to return from a hike in Sjusjøen, Norway. Unfortunately, a large-scale operation to find him was unsuccessful and the rescue services have now called off their search. Our thoughts are with his family at this very difficult time.

Tone Bachke, CFO of Implenia Norway and Head of Corporate Center Scandinavia, is taking over management of the Norwegian unit until further notice.

Implenia is Switzerland's leading construction and construction services company. It also has strong positions in the German, Austrian and Scandinavian infrastructure markets. Established in 2006, Implenia can look back on around 150 years of construction tradition. It brings the expertise of its highly skilled sectoral and regional units together under the roof of a company active throughout Europe. With its integrated business model and specialists operating in all areas of construction, the Group can manage a building project through its entire lifecycle and deliver work that is economical, integrated and customer-centric. The focus is on striking a sustainable balance between financial success and social and environmental responsibility.

Implenia, with its headquarters in Dietlikon near Zurich, currently employs more than 8,200 people around Europe and posted revenue of around CHF 3.3 billion in 2016. The company is listed on the SIX Swiss Exchange (IMPN, CH0023868554). More information can be found at www.implenia.com.
