

## PRESS RELEASE

### Implenia mourns Stig Ingar Evje, the missing CEO of Implenia Norge

**Dietlikon/Oslo, 30 August 2017** – Stig Ingar Evje, former CEO of Implenia Norge, who has been missing since spring 2017, is dead. The former CEO of Implenia Norge, failed to return from a hike in Sjusjøen, Norway, at the start of May, and has been reported missing ever since. Implenia's Board of Directors, Group Executive Board and employees are deeply saddened and send his family their heartfelt condolences. "Right until the end we hoped that Stig would return safely. Our thoughts and our sympathies are with his family," said CEO Anton Affentranger.

Implenia is Switzerland's leading construction and construction services company. It also has strong positions in the German, Austrian and Scandinavian infrastructure markets. Established in 2006, Implenia can look back on around 150 years of construction tradition. It brings the expertise of its highly skilled sectoral and regional units together under the roof of a company active throughout Europe. With its integrated business model and specialists operating in all areas of construction, the Group can manage a building project through its entire lifecycle and deliver work that is economical, integrated and customer-centric. The focus is on striking a sustainable balance between financial success and social and environmental responsibility.

Implenia, with its headquarters in Dietlikon near Zurich, currently employs more than 9,300 people around Europe and posted revenue of around CHF 3.3 billion in 2016. The company is listed on the SIX Swiss Exchange (IMPN, CH0023868554). More information can be found at [www.implenia.com](http://www.implenia.com).
