Certificate

The SQS herewith attests that the organisation named below has a management system that meets the requirements of the normative bases mentioned.

Implenia AG
Thurgauerstrasse 101A
8152 Glattpark (Opfikon)
Switzerland

Certified sites according to appendix

Scope

Planning, consulting, development, management, and execution of construction and real estate services in the following areas real estate development; building construction and new construction; modernization and renovation; general and total contracting (GC/TC); master builder work; timber construction; facade technology; civil engineering and infrastructure construction; special civil engineering and geotechnics; tunnel construction; structural engineering; road construction; structural design; construction logistics; production of asphalt & concrete

Normative bases

ISO 9001:2015	Quality Management System
ISO 14001:2015	Environmental Management System
ISO 45001:2018	Occupational Health and Safety Management System

Reg. no. H39842

Validity 01.04.2026–31.03.2029
Issue 01.04.2026
